

KINGdom ADVANCEMENT CENTER SUMMER YOUTH PROGRAM

1 Peter 2:9 But you are a chosen race, a royal priesthood, a dedicated nation, [God's] own purchased, special people, that you may set forth the wonderful deeds and display the virtues and perfections of Him Who called you out of darkness into His marvelous light. — 1 Peter 2:9 AMP

This is our generation of children whom God has chosen to give unto us. He chose us to bring forth this generation. We as a people, as parents and as a community are charged by God to develop the image that God has been birth from us into what He has called and created them to be... "a royal priesthood and special people". This image over the years past has been tarnished by society and the influences of the streets. Many of our youth have allowed the streets to influence them and change them into someone they were not created to be. At KINGdom ADVANCEMENT it is our mission to "Reclaim that chosen generation and royal priesthood" and teach them that they are called to be VICTORS.

MISSION

The mission of the **KINGDOM ADVANCEMENT CENTER**

Summer Program is to reclaim the “chosen” generation and the “royal”

priesthood from the streets in our community and from the strongholds and negative affects that today’s society have on our children. This program is designed to help the **all youth**, and in particular the **disadvantaged, low to middle-income or at risk youth** discover their purpose in life and to make them aware of who they truly are as a “people”. It is also designed to help them make the “right” decisions in life and show them the benefits of making those decisions, so that they can be successful. Through this 8 Module program we will teach them life skills that will prepare them for their future, build character and mold them into leaders that will make an impact on society and in the community.

We will instill in them moral, ethical, and spiritual principles and values by hosting various enrichment and educational activities. Upon completing this program each year, they will be R.F.D.E.F.M.E.D.:

R **ec**laimed as the chosen generation.

E **n**riched academically, spiritually & physically.

D **e**veloped into leaders with character.

E **d**ucated with the power of knowledge.

E **q**uipped with life skills to be successful.

M **a**ximizing their God-given talents & potential.

E **n**gaged in their studies.

D **e**stined for greatness.
